# *Project Intro*

Assessing the Town's  
building and Salt Shed.

*Review*

*Goals*

## *Town of Medina Facility Needs Committee*

*Ron Jacobson, Sam Anderson, Phillip Braithwaite, Jim Hellenbrand, and Scott Reed*

### **Committee Reviewed the following**

- Property Description and Details
- Town Shop
- Town Salt Shed
- Town Recycling / Waste Disposal Site
- Town Meeting Room
- Town Offices and Record Storage

## *Goals*

- Determine the viability of the existing Town facilities use, the length of that possible use, and what facilities may be needed in the future to serve the residents of the Town of Medina.
- Short Term Solutions & Long Term Solutions
- The Town's overall building needs to adequately serve the residents of the Town of Medina

Intro*

*Status*

*Current  
Conditions*

*Next  
Steps*

## *Status*

- Officially began in 2016
- Serious concerns about the structural integrity of the Salt Shed
- Clear Space Constraints in the Town Shop
- Town Hall not meeting today's needs or future needs
- Limited space on site to expand

## *Goals*

## *Future Goals*

- Short Term and Long Term Solutions
- Utilizing responsible cost effective solutions for both short term and long term
- Providing residents with expected services
- Properly evaluating each potential option
