Yard Waste Collection Site

The Town of Medina, Town Board has approved the disposal of Non-Commercial Yard Waste at the Missouri Road Property located at 5536 Missouri Road on a **temporary** basis. Although it is the intent to provide this site for collection on a regular basis, it is important that the collected yard waste can be managed responsibly. Use of this site is available to Town of Medina residents only and during the hours of operation identified below. The collection site will be monitored by Town employees for compliance with the established restrictions. Any violations will result in site collection termination for violators.

Separate grass clippings and leaves from brush as the items are required to be placed into separate areas at the yard waste site. Please follow the direction/instruction of the attendant on duty.

Items accepted at the yard waste collection site from town residents during operating hours:

- Brush, branches (not exceeding 3 inches in diameter), sticks and twigs.
- Grass clippings, sod, dirt, leaves, garden waste (corn stalks, pumpkins, etc.), flowers, pine cones and pine needles
- Empty any bags or containers and dispose of them properly at your home.
- No Garbage/Trash is allowed at the collection site.

The temporary hours of operation will be from 8am – 12pm on the following dates:

April 25, 2020

May 2, 2020

May 16, 2020

A review of the Missouri Road Yard Waste Collection site operations will be conducted at the June, 2020 Regular Town Board Meeting.
